ADDITIONAL REMARKS										
<div>Our goal:</div> <div>It is our goal to provide international Bachelor exchange students of all subject areas with an English-taught course offer during study their exchange semester(s) at our university.</div> <div>Learning Agreement:</div> <div>In order to prepare your learning agreement, this module overview provides you with the entire choice of courses for international exchange students (BA level) at Fachhochschule Dortmund offered in English or bilingual English/ German.</div> <div>Please be aware that this list is tentative and might be subject to change. If this should occur, we are happy to assist in finding alternative solutions.</div> <div>Please be aware that the workload and therefore the number of ECTS for a module might vary according to the requirement of your host university.</div> <div>Eligibility and selection of modules:</div> <div>All exchange students will apply for, and after acception will be enrolled in, their "core" study program at Fachhochschule Dortmund corresponding to the study program of their home university and the respective exchange agreement.</div> <div>Some modules can only be selected by exchange students for the specific study program at Fachhochschule Dortmund that their are enrolled in (see rows in white).</div> <div>All the modules marked yellow in the module table however, are open to be selected by exchange students across other technical faculties.</div> <div>All the modules marked green in the module table, are open to be selected by exchange students across all faculties.</div> <div>Still, the majority of the modules (at least 60%) shall be selected from the study program you are enrolled in.</div> <div>Ensuring subject-related eligibility and fulfilling prerequisites:</div> <div>For some modules, certain subject-specific previous knowledge has to be fulfilled. If you are interested in taking one of these modules, please get in touch with the contact person for your faculty who will forward your query internally to the right person.</div> <div>Capacity:</div> <div>Some of the cross-faculty modules offered, are only able to take a limited number of students from other faculties on. Therefore, it might be possible in some cases that you have to choose an alternative module.</div> <div>Further information:</div> <div>Our faculties and thus the courses for the respective study programs are spread over 3 campus locations in Dortmund. More infos see here.</div> <div>If you want to choose courses from our different campus locations, please be aware of the transfer time between our campi of around 20-30 minutes.</div>
